3rd Quarter Newsletter

Your faithful financial support allowed 88 MKs from around the world to gather for a life changing weekend. One MK summed it up like this:

In the past 24 hours I have: laughed hysterically, sobbed uncontrollably, worshipped intensely, made new memories, remembered old memories, screamed till I'm hoarse, and simply just been myself! THANK YOU MK Ministries!

What MKs had to say about MK Retreat:

"Love is here."

"I don't want to leave."

"So sad it is over but I am going to remember this the rest of my life."

"Best weekend of my life!"
