

Boredom Busters & The Word!

~ Scratch and Sniff ~

What you will need:

1 Tablespoon powdered drink mix
1 Tablespoon warm water
Several small containers
(muffin Tins work well)

Use the scratch and sniff watercolors on stickers to make your own scratch and sniff stickers.

Use this to make cards and wrapping paper for your friends!

How it's done:

1. Mix water and unsweetened powdered drink mix together in a small bowl. Repeat this step several times, using various flavors of drink mix to create different colors of paint.
2. Allow finished paintings to dry overnight before scratching and sniffing.

The Word:

Are you showing God in the inside and the outside? There was a song that said— if you were arrested for being a Christian would there be

enough evidence to put you away. As MKs— we need to make sure that we are showing Jesus on the inside and outside. Our attitudes, our love, our lifestyle needs to show Jesus on the inside and on the outside. We need to show his abundant life daily. He told us in John 10:10— “I have come that you might have life and have it more abundantly.” Today show Jesus on the inside and out!
