## ~ Funny Putty-Imitating Christ ~

### What you will need:

- 1 tablespoon liquid starch
- Food coloring
- 2 tablespoons white glue
- Plastic Easter egg or plastic bag

**You can roll your funny putty in a bowl and bounce it!**

### How it's done:

1. Mix white glue and 2 to 3 drops of food coloring together in a small bowl.
2. Pour liquid starch into a second small bowl. Slowly pour the glue mixture on top of the liquid starch.
3. Allow the concoction to stand for 5 minutes or until the glue absorbs the liquid starch.
4. Remove putty from bowl and knead. You need to knead a while.
5. Store in a plastic egg or bag.

### The Word:

Just like Funny Putty– we have to be careful what we stick to because we will start imitating them.

There are times when it is easy to follow Jesus and be an imitator of Him. But there are some times when it can be very hard to imitate God. Let's learn to imitate HIM all of the time and in every situation. He will help us do that if we do!

“Be imitators of God, therefore, as dearly loved children and live a life of love, just as Christ loved us.” Ephesians 5:1-2
