

Boredom Busters & The Word!

~The Rain Stick- Our Worship~

What you will need:

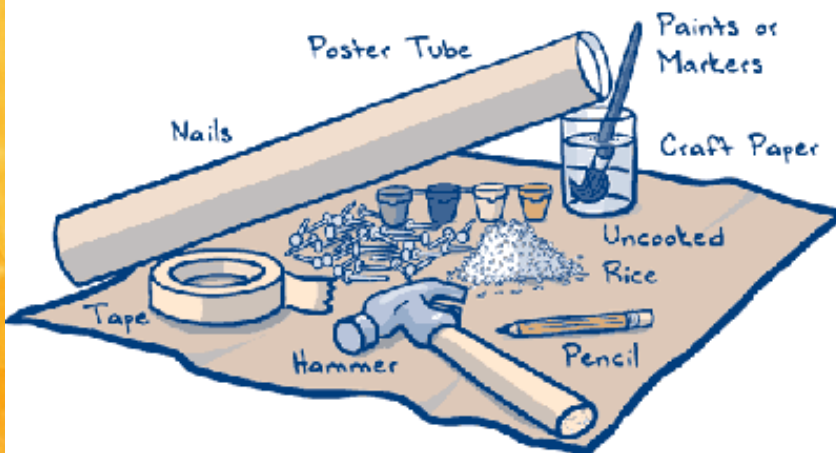

- Heavy tube
- 2 plastic caps or tape
- Rice
- Hammer, nail, pencil
- Paper to decorate the tube

Use your rain stick as in instrument and sings songs to God with it!

How it's done:

1. Hammer nails into tube 1/8 inch apart. Use the spiral seam of the tube as a guide.
2. Add several handfuls of rice into the tube.
3. Seal each end of the tube with rice or duct tape.
4. Decorate your stick with ribbon, adhesive back shelf paper or wrapping paper.
5. Enjoy!

The Word:

The rain stick makes noise when you shake it up and down. Just like the rain stick makes noise the Bible tells us that we have to Worship the Lord. Worshiping God with our praises and songs is our privilege.

“Rejoice in the Lord and be glad, you righteous; sing, all you who are upright in heart!” Psalm 32:11
