

Boredom Busters & The Word!

~ Invisable Ink and Joy ~

What you will need:

- 2 Tablespoons pure lemon juice
- Cotton Swab

**Create a secret treasure map with
your invisible ink.
Write secret notes to your friends.**

How it's done:

1. Pour lemon juice into small glass or plastic dish.
2. Soak one end of the cotton swab into the lemon juice.
3. Use the lemon juice swab to write a secret message on paper.
4. When you are ready to view your secret message have an adult hold the sheet of paper near a light bulb or over a toaster. The heat will slowly turn the lemon juice dark brown and show the message.

The Word:

Do you have joy in your heart? Did you know that all of us have a quantity of joy— we just don't always show us. It is important to think about how much God loves us and remember all

the good things he has done for us. That is like shining the light on the paper— it shows the true joy that is in our heart.

“The Lord is my strength and my shield; my heart trust in him, and I am helped. My heart leaps for joy and I will give thanks to him in song.” Psalm 28:7
