2. Add a small handful of metallic confetti.
3. Top the bottle off with water
4. Seal the bottle securely with a cap and shake.

The Word:

Have you ever had someone ask you if your light is shining? They don't mean that you have a light bulb shining out of your head— they mean your spiritual light. They are asking you if you are being a witness.

Jesus explained it this way in Matthew 6:16— he told his followers to let their light shine so that others could see their good works and glorify their father who is in heaven. As Mks we always should look for opportunities to be a friend to those around us. We will never know when we need to let our light shine for HIM!
