

Dare to Believe in God

Jessica Marquez

John 16:24

Until now you have asked nothing in My name. Ask, and you will receive, that your joy may be full.

God has a plan for us that is greater than our thoughts, greater than words can say. You who have been asking great things from God for a long time would be amazed if you entered into prayer understanding what the Master has knowledge of. The mightiness of my Father's power says, " nothing is to impossible to ask" . He alone can say..."Until NOW you have asked NOTHING."

If you will only dispose of yourself- because nothing but yourself will stop you- it could be that today God will transform you so that you will be a different person. You can be greater than you have ever been before. Move beyond your human mind, your human measure, your own strength, and all of your resources-this is a big thing for me to say- and let inspiration take charge of you entirely. Put yourself to one side and let yourself be consumed with the power of God!

There is nothing like the joy of the Lord. Let it be complete in you- Begin to believe in extravagant asking, believing ABSOLUTELY that God is pleased when you ASK for Great things.
