Man's Best Friend

It has been said that a dog is man's best friend. I'm not sure why. I think it is because dogs are so loyal and they will always be there for you. Have you ever heard of a cat running to meet their owner when they came home— I haven't but dogs love their owners. They don't mind being seen with you, even if you have your old torn t-shirt on. A dog doesn't care if you are having a bad hair day. A dog is never too busy to play or take time to ride with you in the car— especially if you let him stick his head out of the window. A dog can be trained to bring you your slippers, but if you need answers to some hard questions a dog won't be much help.

A dog is a good friend but it is not like the friendship that Jesus gives us. Jesus knows everything, the good, and the bad, yet he loves us more than any of our friends and family. He doesn't care how we look. That's why the Bible tells us that he is a friend that sticks closer than a brother. He will never leave us nor forsake us. He is with us always. He is the best kind of friend to have!

You are my friends if you do what I command. I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything that I learned from my Father I have made known to you."

John 15:9-17
