

# LIFE POINT 2: COMPASSION

Do you know what the word compassion means? It means to care for and show love to others. As MKs –even little MKs we need to have love and compassion for others.

Did you know that there was a little slave girl in the Bible that showed compassion? Her master, Naaman, had a very bad disease. He had leprosy. Even though she was taken from her home land and was a slave this little girl had compassion on her master. She told him of the prophet of God that was able to help him. He took her advice and went to see the prophet. The Lord healed him of his leprosy. All of this happened because this little servant girl had compassion on her master.

1. Do you have compassion for others?
2. What have you done to help your family lately?
3. When have you had a hard time showing love to others?
