

# LIFE POINT 7:

# HONESTY

Do you like telling the truth? Sometimes it is hard isn't it? Especially when we know that we are going to get in trouble for something that we have done.

The Bible tells us that we have to tell the truth no matter what. Did you know that your parents would rather you tell the truth even if you have been bad?

Sometimes we think that when we have been naughty it would be better to lie and then our friends and family will like us better— but it is always better to tell the truth to our family and friends.

How about you-

1. Have you ever told someone a lie?
2. How did you feel after you lied? Have you asked Jesus to forgive you?

**Jesus Help us to tell the truth at all times!**

**Speak the truth at all times!**
