

LIFE POINT 9: PEER PRESSURE

Do you know what the words peer pressure mean? It is two words that talk about feeling like you need to do what your friends are doing— even if it is something that is not right. I remember one time while I was teaching in a class and a little boy who was usually really good pushed another girl. This was quite a surprise. I asked him why he did it. He said that he saw another little boy push a girl and the teachers took him to another room. He wondered what kind of a special room that his friend got taken into. I told him that it was wrong to push and that his friend was actually getting in trouble.

Sometimes we feel like we need to do things to miss-behave just because we have friends that are doing it. We need to always do what is right and good in Gods eyes and in our parents eyes. We need to make them happy.

Jesus help us to always do what is right even when others want us to disobey!

Love always protects, always
trust, always hopes,
always perseveres.”
I Corinthians 13:7
