

# MK Reach

## The power of ONE

"I tell you... there will be more rejoicing in heaven over one sinner who repents than over ninety-nine righteous persons who do not need to repent." Luke 15:7

During the battle of Dunkirk in May 1940, hundreds of thousands of British and French troops were trapped on the French beaches of Dunkirk.

Winston Churchill called for any seaworthy vessel to cross the English Channel to rescue the endangered troops. During six days, 328,000 troops were evacuated to safety.

The story of one lone fisherman stands out. Taking his 19-foot row boat, he crossed the channel, rescued two soldiers and returned to safety. He traveled to France a second time. His small engine died, but he continued rowing across and brought back two more soldiers. Then he passed out from exhaustion.

Four compared to 328,000 may seem unimportant. But tell that to the four men he saved from spending five years in prison camp.

As MKs you are called to the country that you serve in. YOU plus GOD make the majority. You might look at the task before you and say it is too much. How can I help my parents? How can I reach my country? There are lives that only you can reach, there are people that only you can touch. Great potential lies in you. Remember he did not call your parents into missions; he called your entire family. This week remember the power of one!
