

# MK Reach ONE TESTIMONY

“The things you have heard me say in the presence of many witnesses entrust to reliable men who will also be qualified to reach others.” (II Timothy 2:2)

A Jewish physician named Boris Kornfeld was one imprisoned in Siberia. There he worked in surgery, helping both the staff and prisoners. One day while repairing the slashed artery of a guard, he seriously considered suturing the artery in such a way that the guard would bleed to death over time. The violence he recognized in his own heart appalled him, and he found himself saying, “Forgive us our sins as we forgive those who sin against us.” Afterward, he began to refuse to obey various inhumane, immoral prison camp rules. He knew that his quiet rebellion put his life in danger.

One afternoon, Dr. Kornfeld examined a patient who had undergone an operation for cancer. He saw in the man’s eyes a depth of spiritual misery that moved him, and he told him his entire story, including a confession of his secret faith. That very night, Dr. Kornfeld was murdered as he slept. Still, his testimony was not in vain. The patient who had heard his confession became a Christian. He survived the prison camp and went on to tell the world about life in the Gulag. The patient was Aleksandr Solzhenitsyn, who became one of the greatest leaders of the twentieth century.

How about you? As an MK are you willing to share your testimony with others? Just your sharing God’s love with someone else can make all of the difference in the world. One testimony can be multiplied to reach thousands for Him!
