

# MK Serve-2

## A Portion Shared

**“In everything I did, I showed you that by this kind of hard work we must help the weak, remember the words the Lord Jesus himself said:  
‘ It is more blessed to give than to receive’ ” Acts 20:35**

Mother Teresa once told the story about a man who came to her house one night and told her about a family of eight children who had not eaten anything for days. So Mother Teresa took enough rice for a meal and went to their house. She could see the hungry faces, the children with their bulging eyes. The sigh could not have been more dramatic.

The mother of the family took the rice from Mother Teresa’s hands divided it in half, and went out. When she came back a little later, Mother Teresa asked, “Where did you go? What did you do?”

The woman answered, “they are also hungry,” “They” were the people next door, a family with the same number of children to feel who did not have any food either.

Mother Teresa noted, “that mother was aware of the situation. She had the courage and the love to share her meager portion of rice with others. In spite of her circumstances, I think she felt very happy to share with her neighbors the little I had taken her.”

Regardless of our financial status, whether we have or don’t have a lot there is a joy to give to others. As MKs we have to give of ourselves, our talents, and what we have to others.
