Prayer Camp 2009

Prayer Camp was held February 21st – 24th. Each day there were split sessions and a service before lunch. We had the privilege of working with the youth during each split session. After lunch there was recreation. There was a treasure hunt one day and a hike to a beautiful waterfall another day.. Each evening we gathered together once again for a another great service.

We learned what it means to be an Apostolic, how to be an authentic Christian, and that we need to be persistent in our faith

It was a great time of refresh-

ing spiritually and connecting as the body of Christ. We are very excited to see what God has in store for the church here in Trinidad and Tobago. We hope to have many good reports for you in the near future.

We are so excited about working with the youth in Trinidad. Since we have come back there is a youth rally every month giving the youth of Trinidad another opportunity to fellowship and worship with one another. The youth crusade this year started Friday March 6th at Apostolic Tabernacle in San Juan. It was a great service. We sang, wor-

shipped, there was a skit, testimonies and the wonderful word of God. The message was titled Extreme Makeover: Spiritual Edition and two people received an extreme makeover when they received the gift of the Holy Ghost that night.

Saturday March 7th the youth crusade continued in the streets of Debe, which is in south Trinidad, It was there that the youth

testified about what God has done for them and we passed out flyers to people while the service was going. We were able to pass out 900 flyers and give a Bible to someone who did not have one while we were in Debe that day. We know that a great seed was planted during Youth Crusade 2009!
