Freedom Crusade April 11-13

Bro. Charles Shearer came down to Trinidad and truly ministered to us during the three days of Freedom Crusade 2008. We had great services where 21 people received the gift of the Holy Ghost and many others received a refilling.

There was a man in a wheel chair who came and when he left he was able to wheel himself out of the building, which was something he was not able to do before that service. God has opened up a door with this man and we were able to go with others to pray for him in his home. We are believing for a miracle for this man. Not only a healing, but also for salvation.

While we were evangelizing for the crusade we met two men

that wanted us to come and pray for their friend who was also in a wheel chair. We went and just talked with him for awhile and prayed for him. He was not able

There was a great crowd of people every night of the crusade.

to come to the crusade, because he doesn't leave the house often. This man called us about a week after the crusade to see how it went and wanted to set some-

thing up in his home. We are praying and believing for this man as well. God has been opening so many doors and we just need the help to be able to reach all of the needs. Help us pray for the ministers in Trinidad and Tobago for a fresh anointing to be upon them and renewed burden and desire for what God has in store for their lives and ministries.

We truly enjoyed Freedom Crusade and we are hoping to be able to report back of some more testimonies as a result of this great event.

Youth Seminar March

Bro Greg Bowman came down in March and blesses us with some wonderful teaching and Preaching. The first night he ministered it was to the youth workers and he encouraged us to disciple the youth and to be there, waiting for the "teachable moments"

The next two night we have youth services in Trinidad and Bro Bowman preached and helped in a Q & A session. Everything was great and we all had a good time. Next we took him to Tobago and had some more services. It was a great time and Bro Bowman really hit some

topics that needed to be addressed. I personally enjoyed the fellowship with Bro. Bowman. It was good to be around someone who is in touch with the youth of this generation.

Thank you to everybody who is praying for us and Trinidad.
