

A close-up photograph of a Christmas tree branch with green needles and a small brown cone. A gold-colored metal ornament cap is attached to the branch, and a globe of the Earth is hanging from it. The globe shows the Americas, with North and South America clearly visible. The text "MERRY CHRISTMAS!" is overlaid in a green, outlined font across the middle of the globe.

MERRY CHRISTMAS!

From our spot on the globe to yours...

Merry Christmas & Happy New Year!

We love you each of you and can't wait to see the great things that the Lord is going to do through *all* of us in 2009! God Bless You—The MKM Team!
