

# They that wait upon the Lord-Jere Riddick

---

But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; they shall walk, and not faint.

Isaiah 40:31

I have read this passage many times but when it was in front of me this morning in the morning devotion that Sis Benson, our Singles Director sends out every morning, I really began to think.... As you know I have been "waiting on the Lord" for about a month and a half now... After waiting and waiting you start to wonder "When Lord?" It seems that just about the time I feel at the lowest point God has a way of showing me that He is still in control and that I need to rest in His arms. What does it mean to wait.....well I believe it means just what it says...wait, standfast, hold on, but I don't believe that is all it means....we have to also couple with our waiting, praying!

I am holding on to this scripture and I am believing that one day soon I will have renewed strength and that I will come out of this valley a better and stronger woman of God.

If anyone is out there and wondering how long they have to wait I finally have the answer....Wait until your breakthrough comes, until you have the answer, until you have overcome the trial as a victorious person, I know that is what I am doing.

May God bless you all!
