

Wasted Away- Due to lack of Use

“Everyone who has will be given more, and he will have abundance. Whoever does not have, even what he has will be taken from him” Matthew 25:29

In Segovia, Spain, are the remains of an aqueduct built by the victorious Romans in the year 109. For 18 centuries, this aqueduct carried sparkling water from the mountains to one town.

About the turn of the century, it was decided that the aqueduct should be preserved for posterity. Modern pipes were laid and the sparkling water was rerouted through these new pipes.

Shortly thereafter, the aqueduct started to fall apart. The sun dried the mortar and it crumbled. Then the stones began to sag and fall into ruins.

When we fail to use the talents that the Lord has given us- we lose them. As Mks you have been exposed to so many things. You have seen miracles, great acts of God that many in America have not. Use your talents, your exposure, and your abilities for the Lord!
