

We will not bow!

Soldiers marched Daniel and his friends to a faraway city names Babylon. Many of God's people were slaves there.

When they got to Babylon the king chose Daniel and his friends to be his special helpers. He changed their names, gave them new clothes to wear, and they had new types of food to try. They went to school at the king's palace and they learned new things every day.

One night the king had a really bad dream. He was scared. Daniel told the king what his dream meant. Soon the king forgot about how God had helped him. He make a tall golden image of himself. He made it a law that every-one had to stop and bow down and worship the image.

Daniel's friends Shadrach, Meshach, and Abednego, wouldn't bow down to the King's stature, so he threw them into the fiery furnace. God sent an angel to watch over them there. The Bible tells us that nothing happened to them. Not even their clothes were burned. No one could believe it. The king knew that their God was God. He ordered everyone to worship God from that day on!

New ways to pray:

Make your own prayer clock.
Daniel prayed three times per day.

-You will need a paper plate, construction paper, and a brad for the clock hands.

Find a real clock and copy the numbers. Now you have your own prayer clock to remind you to pray!

Stand, Stand, Stand

Stand, Stand, Stand for God
No matter what you do.
Even when the going's rough,
God will help you through.
(Sing to the tune of row, row,
row your boat)
