

# What do you want?

---

What kind of things do you pray for? A new toy, or new friends? Are there things you want

to ask God to do for you or someone else? That is just fine with God. The Bible says that if you want God to do something for you or for someone else, ask him. In fact, the Bible says that some people do not have what they need because they do not ask him.

But when you ask him, believe that he will answer you. A person who ask God for something but does not believe he will answer, will not get answer.

When have you prayed for something, but not really believed that God would answer?

What is something very important you would like God to do for you now?

Dear Jesus,

Sometimes it is hard to believe you will answer my prayers. You have a whole world to take care of. Thank you for caring about me too. Amen

“Never worry about anything. But in every situation let God know what you need in prayers and request while giving thanks. Philippians 4:6
