

You know Church...

Do you know his face?

We know church!
We can do church...

In fact we can do it with our hands tied and our eyes blindfolded
How long have we been going to church? How well can we sing the songs, quote the scriptures, stand and sit at the appropriate times?

But pushing that all aside how well do you know the King of Kings?
The Lord of Lords?
The one that created you and is in you?

When is the last time we have sought his face?
Do you remember when you last had a hunger for him?
Do you remember when you sung that song to him and no one was there?
Do you remember what it was like when you worshiped and no one was there?

Go back and find that God.
The God that you fell in love with in the first place.

Why do we continuously want to seek his hand if we don't want to seek his face?

Awake in me Oh Lord a fresh love for you
For it is when I seek your face
everything else becomes second in my life.

"But seek ye first the kingdom of God and his righteousness and all these things shall be added unto you."
Matthew 6:33
