# imagine

and you can go there

and you can impact there

and create change here

## DIY Touch the life of an MK - Children's Ministry

### Let's Pray and Study:

MK Prayer Puppets—Hands-on tool to teach your kids how to pray for MKs—hold prayer puppets from 6 nations in your hands. (\$10 per set)

MK Resource Pages—one per MK—have the name, country, and activity section for kids to draw the people in that MK's nation. Become a prayer pal with the MK that they choose.

MK Prayer Bookmarks—This free resource gives kids ideas of things to pray each month and fun things to send them as well.

Prayer Map—hang up a free prayer map in your Sunday School rooms. MKs become real as they see their faces and pray for them.

Prayer Globes—match up the country that each MK lives in and pray for that MK as you touch their nation.

Download the special "Missions Follows God's Command" Sunday School lesson on the website.

Talk to your missions secretary at your local church and find out which missionaries you currently support. Email those missionaries and MKs to see what prayer needs they have.

### Let's Get Hand's On:

Send MK Birthday Cards and notes of encouragement to MKs. For a full list of MK names, nations, and birthdays, please email us at [info@upwithmks.com](mailto:info@upwithmks.com)

Become a "Pen Pal" with an MK around the globe. See our pinterest page for great ideas of fun things to send to MKs and ideas to get the "conversation" started.

"Cook with Me—Pray for me" Recipe Cards. Kids can eat and pray their way across the globe with these six great recipe cards. Each of the six geographical regions offer recipes filled with ingredients found in North American grocery stores. Help the children make the dish and pray for the MKs of that region. This is a great church kitchen or teacher's home project you can work on together. (\$5.00 per set)

Start a "Change" the World Drive. Have kids weekly bring in their loose change from home. This money provides Scholarships for MKs to participate in regional MK training events, and MK Retreats.

Have a Bike-a-thon. Did you know that Bicycles in other countries are very expensive? Most of our MKs don't have bicycles because it is cost prohibitive for their parents. Why not have a Bike-a-thon and raise money for an MK to have a bicycle overseas? The cost of an average bike is \$200-\$300.00 per MK.

Have a "Read-a-thon". Most countries don't have English libraries available for MKs to read books. We want to provide e-readers for all of our MKs. Why not have a read-a-thon with your Children's Ministry? Have adults sponsor them for each book they read. This money goes towards e-readers for our MKs around the world.
